

MASC 467 is the class association with CreateAthon at VCU. Students enrolled in this course act as the Team Leaders and Liasons for CreateAthon clients during the course of the Spring semester. They are the lead voices and advocates of CreateAthon as well as their nonprofit organizations during the class. It is not a typical class. It's more like an agency.

While discussing topics related to nonprofit businesses and social issues, students in this service-learning class have a chance to expand upon leadership skills, to work directly with clients, to develop strategy, to recruit and manage a creative team, and to push themselves beyond what they thought they were capable of doing.

It is not a creative class but a leadership class. It takes committment, passion and drive to use your talents for good by helping nonprofits. And it could be the coolest thing you ever do.
